Alexandria, VA 22313-1450

Sir:

The Examiner is respectfully requested to consider the enclosed references which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached Patent and Trademark Office Form 1449.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute. No representation is made that Applicants know of the best art.

It is believed that this submission does not require the payment of any fees. If this is incorrect, however, please deduct the appropriate fee from deposit account 07-1969.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'DF' or similar initials, written in a cursive style.
